KAMENI PANELI

Vlaknasti panel je lagan i izdržljiv materijal za oblaganje zidova, napravljen kombinovanjem materijala na bazi polimera sa vlaknima od pravih kamenih čestica. Savršen je za stvaranje prirodnog i sofisticiranog izgleda u svakom enterijeru

Otkrijte čaroliju prirode u Vašem domu.
